HOW TO CITE RULES AND RSMo

RULES—Cite material in the *Missouri Register* by volume and page number, for example, Vol. 28, *Missouri Register*, page 27. The approved short form of citation is 28 MoReg 27.

The rules are codified in the *Code of State Regulations* in this system—

Title	Code of State Regulations	Division	Chapter	Rule
1	CSR	10-	1.	010
Department		Agency, Division	General area regulated	Specific area regulated

They are properly cited by using the full citation , i.e., 1 CSR 10-1.010.

Each department of state government is assigned a title. Each agency or division within the department is assigned a division number. The agency then groups its rules into general subject matter areas called chapters and specific areas called rules. Within a rule, the first breakdown is called a section and is designated as (1). Subsection is (A) with further breakdown into paragraph 1., subparagraph A., part (I), subpart (a), item I. and subitem a.

RSMo—The most recent version of the statute containing the section number and the date.

The Secretary of State shall publish all executive orders beginning January 1, 2003, pursuant to section 536.035.2, RSMo Supp. 2013.

EXECUTIVE ORDER

WHEREAS, the Internal Revenue Service has announced that, under Revenue Ruling 2013-17, same-sex couples legally married in a state that authorizes such marriages, regardless of their place of domicile, may file a joint federal individual income tax return; and

WHEREAS, the tax code of Missouri is coupled to the federal tax code, and Missouri tax filers are required to utilize information from their federal tax return when completing their Missouri state income tax return; and

WHEREAS, section 143.031.1, RSMo, mandates that "[a] husband and wife who file a joint federal income tax return shall file a combined [state] return"; and

WHEREAS, section 143.091, RSMo, requires that "[a]ny term used in sections 143.011 to 143.996 shall have the same meaning as when used in a comparable context in the laws of the United States relating to federal income taxes...."; and

Under this heading will appear the text of proposed rules and changes. The notice of proposed rulemaking is required to contain an explanation of any new rule or any change in an existing rule and the reasons therefor. This is set out in the Purpose section with each rule. Also required is a citation to the legal authority to make rules. This appears following the text of the rule, after the word "Authority."

Entirely new rules are printed without any special symbolology under the heading of proposed rule. If an existing rule is to be amended or rescinded, it will have a heading of proposed amendment or proposed rescission. Rules which are proposed to be amended will have new matter printed in boldface type and matter to be deleted placed in brackets.

An important function of the *Missouri Register* is to solicit and encourage public participation in the rulemaking process. The law provides that for every proposed rule, amendment, or rescission there must be a notice that anyone may comment on the proposed action. This comment may take different forms.

If an agency is required by statute to hold a public hearing before making any new rules, then a Notice of Public Hearing will appear following the text of the rule. Hearing dates must be at least thirty (30) days after publication of the notice in the *Missouri Register*. If no hearing is planned or required, the agency must give a Notice to Submit Comments. This allows anyone to file statements in support of or in opposition to the proposed action with the agency within a specified time, no less than thirty (30) days after publication of the notice in the *Missouri Register*.

An agency may hold a public hearing on a rule even though not required by law to hold one. If an agency allows comments to be received following the hearing date, the close of comments date will be used as the beginning day in the ninety- (90-) day-count necessary for the filing of the order of rulemaking.

If an agency decides to hold a public hearing after planning not to, it must withdraw the earlier notice and file a new notice of proposed rulemaking and schedule a hearing for a date not less than thirty (30) days from the date of publication of the new notice.

Proposed Amendment Text Reminder:

Boldface text indicates new matter.

[Bracketed text indicates matter being deleted.]

Title 8—DEPARTMENT OF LABOR AND INDUSTRIAL RELATIONS Division 50—Division of Workers' Compensation Chapter 2—Procedure

PROPOSED AMENDMENT

8 CSR 50-2.030 Resolution of Medical Fee Disputes. The division proposes to amend sections (1), (2), and (6).

PURPOSE: *Senate Bill 1 amended section 287.140.4, RSMo, that deals with the application for payment of additional reimbursement of medical fees (reasonable disputes) by inserting a statutory period of limitations for filing a dispute of the medical charge by the health care provider. Senate Bill 1 also inserted language relating to notice that is presumed to occur no later than five (5) business days after transmission by certified United States mail. This amendment will allow an employer or insurer to file a request for an award on undis-*

puted facts in regard to the application for payment of additional reimbursement of medical fees on the ground that same was not filed within the limitations period set forth in section 287.140.4, RSMo, or on the ground that the charges have been paid in full, or on any ground which would fully negate any liability for further payment, and upon which ground the facts are not in dispute. The division believes that this procedure will streamline the process without impacting upon the parties' ability to request an evidentiary hearing before an administrative law judge. This amendment also clarifies that notice of the disputed medical fee or charge from the employer or insurer is presumed to occur no later than five (5) business days after transmission by certified United States mail. This amendment allows an administrative law judge to continue the evidentiary hearing for good cause. In addition, this amendment also includes clarifications that do not adversely affect the parties' rights.

(1) Procedures Pertaining to Applications for Payment of Additional Reimbursement/s/ of Medical Fees (Reasonableness Disputes).

(A) If an employer or insurer disputes the reasonableness of a medical fee or charge, the employer or insurer shall notify the health care provider in writing that the medical charge is being disputed and shall explain the basis for the dispute. **Per section 287.140.4(2), RSMo, such notice shall be presumed to occur no later than five (5) business days after transmission by certified United States mail.** The employer or insurer may tender partial payment and the health care provider may accept payment of the amount tendered without prejudice to the filing of an application for payment of additional reimbursement/s/ of medical fees. Upon receiving the written notice of the dispute, the health care provider may contact the insurer or employer to attempt to resolve the dispute.

(B) In order to initiate a reasonableness dispute case, the health care provider must **first** submit a Request for Case Status Information on a division-approved form to the division prior to the filing of an application for payment of additional reimbursement of medical fees. The health care provider shall file with the division an original application for payment of additional reimbursement of medical fees. The application shall contain the following information:

1. The name, address, and telephone number of the health care provider;

2. Name, address, and telephone number of the employer and insurer against whom the application is being filed;

3. Name, address, and Social Security number of the employee for whom health care services were rendered, together with the date of injury and date the services were provided, for all disputes;

4. The amount in dispute;

5. The date the first notice of the dispute of the medical charge was received by the health care provider; and

[5./6. Any additional information the division deems necessary to resolve the dispute.

(I) If the total amount of the additional reimbursement sought is more than one thousand dollars (\$1,000), and the parties are unable to resolve their dispute, the health care provider may file a written application for an evidentiary hearing of the medical fee dispute. The health care provider shall forward a copy of the application for an evidentiary hearing to all parties. The employer or insurer shall file an answer *[on a division-approved form]* to the application for an evidentiary hearing **on a division-approved form. The answer shall be filed within thirty (30) days from the date of the application/, unless]. The division may extend the thirty- (30-) day time period for good cause [is found by the division to extend the filing of the answer].** If the employer or insurer fails to file a timely answer the facts contained in the application are deemed admitted as true, but conclusions of law are not deemed admitted. An evidentiary hearing shall be scheduled in front of an administrative law judge. *[An application for an evidentiary hearing cannot be dismissed without prejudice after an evidentiary hearing has*

been scheduled, without approval of the administrative law judge.]

(K) The evidentiary hearing shall be held at a place and time to be set by the division. The division shall notify all parties as to the time and place of the hearing. **An administrative law judge may continue the hearing for good cause.** The hearing shall be simple and informal and all parties shall be entitled to be heard and to introduce evidence, however, the rules of evidence in civil proceedings shall apply. The administrative law judge *[shall conduct]* **conducting** the hearing *[and]* shall issue an award deciding the issues in dispute/. *The award should be completed]* within thirty (30) days of the last day of the hearing.

(P) Requesting and Issuing Awards on Undisputed Facts.

1. An application for payment of additional reimbursement of medical fees may be denied in full by an administrative law judge without an evidentiary hearing by issuing an award on undisputed facts in accordance with the following procedures. The employer or insurer may file a request for an award on undisputed facts in regard to the application for payment of additional reimbursement of medical fees on the ground that same was not filed within the limitation period set forth in section 287.140.4, RSMo, or on the ground that the charges have been paid in full, or on any ground which would fully negate any liability for further payment, and upon which ground the facts are not in dispute. The request for an award on undisputed facts shall be filed on the approved division form. The request for an award on undisputed facts shall state with particularity each material fact as to which the employer or insurer claims there is no genuine issue, with specific references to the contents of the application for payment of additional reimbursement of medical fees, deposition testimony, affidavits, and documents that demonstrate the lack of a genuine issue as to such facts. Each request for an award on undisputed facts shall have attached thereto the affidavits, portions of deposition transcripts, and other documents relied upon in the request.

2. Within thirty (30) days after a request for an award on undisputed facts is filed with the division, the health care provider shall file its response thereto. The response shall admit or deny each of the factual statements contained in the request. A denial may not rest upon mere allegations or general denials. Rather, the response shall support each denial with specific references to the depositions, documents, or affidavits that demonstrate specific facts showing that there is a genuine issue to be decided at an evidentiary hearing. Attached to the response shall be a copy of the affidavits, deposition transcripts (or portions thereof), and other documents upon which the response relies. The response may also set forth, in detail, additional material facts that remain in dispute.

3. Upon timely filing of the response, the administrative law judge assigned to the case shall proceed to ruling on the request for an award on undisputed facts. If no response is filed within the thirty (30) days allotted, unless extended by written order of an administrative law judge, the facts as set forth in the request for an award on undisputed facts shall be deemed as true, and the administrative law judge assigned to the case shall rule on the request for an award on undisputed facts. If the request for an award on undisputed facts and response show that there is no genuine issue as to any material fact and that the application for payment of additional reimbursement of medical fees should be denied in full, the administrative law judge shall issue an award on undisputed facts denying the application for payment of additional reimbursement of medical fees in full. Such award shall be a final reviewable award in the case as to the application for payment of additional reimbursement of medical fees.

4. The health care provider may file an application for review with the Labor and Industrial Relations Commission within twenty (20) days from the date of the award of the administrative law judge. This review shall be subject to review and

appeal in the same manner as provided for other awards in Chapter 287, RSMo.

5. If the request for an award on undisputed facts and response show that there is a genuine issue as to any material facts, the administrative law judge shall issue an order denying the request for an award on undisputed facts. An order denying the request for an award on undisputed facts is not a final award as to any issue, and is not subject to review or appeal.

(2) Procedures Pertaining to Applications for Direct Payments (Direct Pay Disputes).

(I) Requesting and Issuing Awards on Undisputed Facts.

1. An application for direct payment may be denied in full by an administrative law judge without an evidentiary hearing by issuing an award on undisputed facts in accordance with the following procedures. The employer or insurer may file a request for an award on undisputed facts in regard to the application for direct payment on the sole ground that the health care services for which direct payment is being sought were not authorized by employer or insurer. The request for an award on undisputed facts shall be filed on the approved division form. The request for an award on undisputed facts shall state with particularity each material fact as to which the employer or insurer claims there is no genuine issue, with specific references to the contents of the application for direct payment, deposition testimony, affidavits, and documents that demonstrate the lack of a genuine issue as to such facts. Each request for an award on undisputed facts shall have attached thereto the affidavits, portions of deposition transcripts, and other documents relied upon in the request.

2. Within thirty (30) days after a request for an award on undisputed facts is filed with the division, the health care provider shall file its response *[on the approved division form]* thereto. The response shall admit or deny each of the factual statements contained in the request. A denial may not rest upon mere allegations or general denials. Rather, the response shall support each denial with specific references to the depositions, documents, or affidavits that demonstrate specific facts showing that there is a genuine issue to be decided at an evidentiary hearing. Attached to the response shall be a copy of the affidavits, deposition transcripts (or portions thereof), and other documents upon which the response relies. The response may also set forth, in detail, additional material facts that remain in dispute.

3. Upon timely filing of the response, the administrative law judge assigned to the case shall proceed to ruling on the request for an award on undisputed facts. If no response is filed within the thirty (30) days allotted, *[unless extended by written order of an administrative law judge]]*, the facts as set forth in the request for an award on undisputed facts shall be deemed as true, and the administrative law judge assigned to the case shall *[proceed to ruling]* **rule** on the request for an award on undisputed facts. If the request for an award on undisputed facts and response show that there is no genuine issue as to any material fact and that the application for direct payment should be denied in full, the administrative law judge shall enter an award on undisputed facts denying the application for direct payment in full. Such award shall be a final reviewable award in the case as to the application for direct payment.

4. The health care provider may file an application for review with the Labor and Industrial Relations Commission within twenty (20) days from the date of the award of the administrative law judge. This review shall be subject to review and appeal in the same manner as provided for other awards in Chapter 287, RSMo.

5. If the request for an award on undisputed facts and response show that there is a genuine issue as to any material fact, the administrative law judge shall issue an order denying the request for an award on undisputed facts. An order denying the request for an award on undisputed facts is not a final award as to any issue, and is not subject to review or appeal.

Title 10—DEPARTMENT OF NATURAL RESOURCES
Division 10—Air Conservation Commission
Chapter 6—Air Quality Standards, Definitions, Sampling
and Reference Methods and Air Pollution Control
Regulations for the Entire State of Missouri

PROPOSED AMENDMENT

10 CSR 10-6.010 Ambient Air Quality Standards. The commission proposes to amend the purpose and the standards. If the commission adopts this rule action, it will be the department's intention to submit this rule amendment to the U.S. Environmental Protection Agency to replace the current rule that is in the Missouri State Implementation Plan. The evidence supporting the need for this proposed rulemaking is available for viewing at the Missouri Department of Natural Resources' Air Pollution Control Program at the address listed in the Notice of Public Hearing at the end of this rule. More information concerning this rulemaking can be found at the Missouri Department of Natural Resources' Environmental Regulatory Agenda website, www.dnr.mo.gov/regs/index.html.

PURPOSE: This rule is a compilation of standards for ambient air quality throughout Missouri in order to protect the public health and welfare. The U.S. Environmental Protection Agency has set National Ambient Air Quality Standards (NAAQS) for six (6) criteria pollutants (carbon monoxide, lead, nitrogen dioxide, ozone, particle pollution, and sulfur dioxide). Primary NAAQS provide public health protection and secondary NAAQS provide public welfare protection. In addition, Missouri has set standards for hydrogen sulfide and sulfuric acid. This amendment would update the standards for ambient air quality throughout Missouri in order to reflect recent changes in the National Ambient Air Quality Standards (NAAQS) for fine par-

ticulate matter (PM_{2.5}), nitrogen dioxide (NO₂), and sulfur dioxide (SO₂); reorganize the standards table for clarity; and update the rule purpose statement to more accurately reflect the rule. The Clean Air Act (CAA) requires periodic reviews of the air quality criteria, the science upon which the standards are based, and the NAAQS themselves. As a result of federal review, the U.S. Environmental Protection Agency has recently updated the PM_{2.5}, NO₂, and SO₂ NAAQS, and this rulemaking would revise these values in the state rule for consistency. The evidence supporting the need for this proposed rulemaking, per 536.016, RSMo, is Federal Register Notice 78 FR 3086 for PM_{2.5}, promulgated January 15, 2013; Federal Register Notice 75 FR 35520 for SO₂, promulgated June 22, 2010; and Federal Register Notice 75 FR 6474 for NO₂, promulgated February 9, 2010.

PURPOSE: This rule [provides long-range goals] is a **compilation of standards** for ambient air quality throughout Missouri in order to protect the public health and welfare. The U.S. Environmental Protection Agency has set National Ambient Air Quality Standards (NAAQS) for six (6) criteria pollutants (carbon monoxide, lead, nitrogen dioxide, ozone, particle pollution, and sulfur dioxide). Primary NAAQS provide public health protection and secondary NAAQS provide public welfare protection. In addition, Missouri has set standards for hydrogen sulfide and sulfuric acid.

Title 20—DEPARTMENT OF INSURANCE, FINANCIAL INSTITUTIONS AND PROFESSIONAL REGISTRATION Division 400—Life, Annuities and Health Chapter 11—Navigators

ORDER OF RULEMAKING

By the authority vested in the director of the Missouri Department of Insurance, Financial Institutions and Professional Registration under sections 374.045 and 376.2000 through 376.2014, RSMo Supp. 2013, the director adopts a rule as follows:

20 CSR 400-11.100 Navigator Examination and Licensing Procedures and Standards is adopted.

A notice of proposed rulemaking containing the text of the proposed rule was published in the *Missouri Register* on September 3, 2013 (38 MoReg 1397-1408). No changes have been made in the text of the proposed rule, so it is not reprinted here. This proposed rule becomes effective thirty (30) days after publication in the *Code of State Regulations*.

SUMMARY OF COMMENTS: A public hearing on this proposed rule was held October 4, 2013 and the public comment period ended on October 7, 2013. At the public hearing, the department’s Administration Division director explained the proposed rule. The department received eight (8) comments to the rule and two (2) comments regarding an application form included in the proposed rule.

COMMENT #1: Catherine Edwards, on behalf of the Missouri Association of Area Agencies on Aging, commented that her organization is supportive of the provisions of the proposed rule that allow state navigator applicants to submit a passing score on a federal Marketplace assister examination to fulfill the state examination requirement.

RESPONSE: The Missouri Department of Insurance, Financial Institutions and Professional Registration appreciates the comment

from the Missouri Association of Area Agencies on Aging.

COMMENT #2: Catherine Edwards, with the Missouri Association of Area Agencies on Aging, and Jeanette Mott Oxford, with the Missouri Association for Social Welfare, both commented that individuals who perform outreach and educational activities should not be required to be licensed as navigators.

RESPONSE: The department does not have statutory authority to include such a requirement in this rule. No changes have been made to the rule as a result of this comment.

COMMENT #3: Catherine Edwards, with the Missouri Association of Area Agencies on Aging, Jeanette Mott Oxford, with the Missouri Association for Social Welfare, Chelsea Merta, with Saint Louis University, and Sidney Watson, with Saint Louis University, all commented that the department should consider including a provision in the rule that would require individual navigators licensed only by the state of Missouri to provide a disclaimer to consumers indicating they are licensed by the state of Missouri but not certified as a Navigator or Certified Application Counselor under federal law. Several commenters also suggested that the department create a distinctive name that differentiated between federally-certified navigators and state-certified navigators without a federal license, in order to minimize confusion.

RESPONSE: The department does not have statutory authority to include such requirements in this rule. No changes have been made to the rule as a result of this comment.

COMMENT #4: Chelsea Merta, with Saint Louis University, commented that the navigator licensing rule does not include conflict of interest standards and does not prohibit navigators from charging fees.

RESPONSE: The department does not have statutory authority to include such requirements in this rule. No changes have been made to the rule as a result of this comment.

COMMENT #5: Sidney Watson, with Saint Louis University, commented that the Navigator Entity Application included in the rule should be modified so as to not require disclosure of background information for board members of not-for-profit entities seeking licensure as Navigator Entities. Also, Catherine Edwards, with the Missouri Association of Area Agencies on Aging, echoed Sidney Watson’s comments, and further commented that the form does not include a time frame for such acts.

RESPONSE: The background information requested on the Navigator Entity Application is necessary for the department to evaluate each navigator entity applicant for licensure. Furthermore, the form is self-explanatory. No changes have been made to the rule as a result of this comment.
